## Dear Parents /Guardians,

I am extremely thankful to you for showing your faith, confidence in us by getting your wards admitted in our school. The main aim of the school is to provide quality education and to impart moral values to the children which form the basis of a successful life. Students work in an environment where they are stretched, challenged and have their expectations raised to achieve demanding targets.

The parents of students are our strength. Without their co-operation and support we have been nowhere. Such success of the school is a result of the partnership among the school, the students and parents. We are forever striving towards maintaining a healthy and long term association with them.

As, the hot summer has approached & the students are looking forward for summer vacations which is considered the time for fun, joy and relaxation for them. So, we have decided to close the school from 1<sup>st</sup> June 2019 to 3<sup>rd</sup> July 2019. The school will reopen on 4<sup>th</sup> July 2019.

To ensure that the children have a constructive holiday, some Holiday Homework & Projects are given which will keep the child active and observant. These projects can easily be done by the children and you could assist only where required. These will indeed provide an enjoyable learning experience.

In the end I would like to convey my warm regards to all the parents/guardians & wish the children very-very Happy & Joyable Summer Vacations.

Happiness is always there but you cannot wait for circumstances to get better you have to create your own fortune, so look for way to be happy every day.

With profound regards

**Principal**
